The purpose of the Native American and Alaska Native Children in School Program is to provide grants to eligible entities that support language instruction educational projects for limited English proficient (LEP) children from Native American, Alaska Native, Native Hawaiian, and Pacific Islander backgrounds. The program is designed to ensure that LEP children master English and meet the same rigorous standards for academic achievement that all children are expected to meet. Supported programs may include the study of Native American languages instruction educational programs, Section 3112, Public Law 107-110.
